PART V – EVALUATION CRITERIA & PRICE BID FORMAT

5.1 EVALUATION CRITERIA: The broad guidelines for evaluation of Bids will be as follows:

- a. Only Bids that fulfil all the eligibility & qualifying requirements of the TE, both technically and commercially, shall be considered for evaluation.
- b. In Two-Bid system, the Technical Bids shall be evaluated with reference to the technical requirements of the stores/ service prescribed in the TE. The Buyer may obtain technical clarifications during the evaluation of the Technical Bids. Further, if considered necessary during the course of Technical evaluation, the Buyer may invite the vendors who meet the essential parameters for technical presentation/ clarification.
- c. The Price Bids of only the technically complaint Bidders shall be opened.
- d. The Lowest Bid (L1) will be decided, from out of the Technically & Commercially compliant Bids, based on the lowest price quoted. Consideration of Taxes & Duties in evaluation process shall be as follows:
 - i) When competition is only among Indian Suppliers, the F.O.R Prices at destination (Consignee's premises) shall be the basis for ranking of the quotations.
 - ii) If the competition is amongst foreign suppliers, the basis for comparison shall only be the landed price at the destination (designated port).
 - iii) When the competition is amongst indigenous and foreign suppliers, the basic cost (CIF) quoted by the foreign suppliers shall be the basis for comparison with the basic cost offered by the indigenous suppliers, after offloading the GST & Excise Duty (if applicable). Therefore, to enable evaluation of the Bid, it is important for foreign Bidders to ensure that they duly quote, both on, CIF as well as FOB basis. Similarly, it is important for the Indian Bidders to duly indicate the GST & Excise Duty (if applicable) in their quote as separate elements.
- e. The quotes of foreign suppliers in foreign currency shall be brought to a common denomination in Indian Rupees by adopting the exchange rate as BC Selling Rate of the Parliament Street Branch of State Bank of India, New Delhi/RBI on the date of the closing of Bids.
- f. If there is any discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will prevail and the total price will be corrected accordingly. If there is a discrepancy between words and figures, the amount in words will prevail for calculation of price.
- g. The Buyer reserves the right to evaluate the offers received by using Discounted Cash Flow (DCF) method. If this method is applied the discounting rate shall be the lending rate of the Government of India on loans given to the State Government as notified annually by the Budget Division of Ministry of Finance. The DCF may be applied for converting differing Payment Terms of Bidders to a common basis and thereby determine L1 status.
- h. The Lowest Acceptable Bid will be considered for placement of contract/ Supply Order, after complete clarifications and price negotiations, if so necessary. The Buyer also reserves the right to award contracts to different Bidders for being lowest in particular items. The Buyer further reserves the right to apportion the quantity, if it is convinced that Lowest Bidder will not be able to supply the full tendered quantity in stipulated time.
- i. Any other criteria as applicable to suit a particular case.

5.2 PRICE BID FORMAT: The Price Bid Format is enclosed as annexure-1. Bidders are required to quote as per the format duly providing complete details.
