In the newly unfolded economic order, many of companies are passionately scouting for new opportunities, and are enthusiastically embarking on the business continuity plan. In this challenging time, they have many dreams and aspirations. Every entrepreneur needs to put his best foot forward to get past disruption and thrive amidst this crisis.

A strong leadership and management culture are the key to realise these dreams. Here is an opportunity to engage with eminent corporate leaders from diverse backgrounds; who have blended their wisdom into business mantras to enable you build an organization that is future ready.

The Council of EU Chambers of Commerce in India is organizing an online session on “6 Mantras for Business Excellence for SMEs” on 17th & 18th August from 1030 to 1300 hrs.
